Form 990, Part III, Line 4a, Program Service Accomplishments:

We provide a caring, supportive atmosphere for approximately 600 people who receive one or more types of service from the One Vision. Ages range from infants to senior citizens. Disabilities include intellectual disabilities, mental illness, cerebral palsy, seizure disorders, brain injury, autism, and more.

The services provided at One Vision are accredited by the Commission on Accreditation of Rehabilitation Facilities (CARF). We currently have a 3-year accreditation, the highest level possible.

Residential

The Organization helps individuals with disabilities to find affordable, safe, and comfortable homes in Iowa communities of their choice. One Vision staff support each person to live as independently as possible, while providing appropriate assistance based on individual needs.

Day/Employment

The Organization supports individuals with disabilities to achieve success at work. It starts with discovery. We get to know a person outside of work, look at their home environment, find out when and

where they are at their best, and assess skills and interests. Then we offer training to improve skills and the opportunity to learn about different types of work by visiting businesses or trying out a job for ten days. The Organization supports individuals with disabilities to achieve success in the communities where they live and the wider world. Success for some might mean volunteering at a local community kitchen or at a state park picking up trash. For another, it may mean going to the grocery store like everyone else in town, to choose favorite items and pay for them.

Behavioral Health

The One Vision Children's Autism Center in Clear Lake, Iowa, offers hope for families overwhelmed by the challenges of raising a child on the autism spectrum. Direct services including assessment, positive behaviorsupports, and skill building activities to improve the lives of children with autism.

Business Enterprises

The Organization operates various businesses, such as a greenhouse and thrift store which offer work-related opportunities for those individuals it serves. These businesses are operated in conjunction with the other program services previously mentioned.

The Organization provides safe, courteous, and prompt transportation to meet the transportation needs of staff, persons supported, and transit service customers.
